

What's it like to live in the South ward?

If you live in the South ward which includes Nunsthorpe, Grange, Bradley Park and surrounding areas (please see map overleaf) we'd like you to tell us about what it's like to live there. We want to work closer with the community to help make things better in your area. We've planned a community pop in session so we can share the results with you and chat about how to make these changes.

The community pop in session is at Centre4, Wootton Road on Wednesday 27th March at 9.30am until 11.30am.

This survey can be completed between 18th February and 4th March. The easiest way to have your say is by completing the survey online at www.nelincs.gov.uk/have-your-say. Or you can complete a paper survey that can be handed in where they are displayed.

1. Please tell us your postcode. This is important as we want to understand your views about the area closest to you.

2. What is your connection to this area?

☐ Resident

☐ Regular visitor for work or leisure

3. What do you like about your area?

4. Are there any issues in your area?

5. What can be improved in this area?

If you'd like to be emailed about the results of this survey and the community pop in please send your email address to consultation@nelincs.gov.uk. Thank you for taking part and sharing your views with us. We hope to see you at the community pop in so we can work together to make changes in your area.
