

IMMOBILISE

THE UK NATIONAL PROPERTY REGISTER

Make your neighbourhood safer by deterring thieves and help police identify stolen property with Immobilise

About Immobilise

Immobilise is the world's largest FREE register of possession ownership details endorsed by UK police. For over 15 years it has been an effective tool in helping to reduce crime and repatriate recovered personal property to its rightful owners.

Secured by Design

Official Police Security Initiative

FREE Property Registration

Immobilise is an online portal where members of the public can securely create an account and register their valued possessions and ownership details all for FREE. If an item of property is lost or stolen the owner can log in and instantly flag the status on the police national property database the [NMPR](#). This online law enforcement portal is used thousands of times each day by UK police forces to trace owners of lost and stolen property.

Its continued success relies on public support to register valuables. As part of other crime prevention initiatives Immobilise is an effective partner in helping to deter thieves and combat property crime - Make immobilise part of your community crime prevention strategy for a safer neighbourhood.

Recovery

As a direct result of [Immobilise](#) there are hundreds of cases a week where property is returned, or information collected that assists the police in investigating criminal activity involving stolen goods.

How to use Immobilise

1 Get your electricals and other valued possessions close to hand, go online and visit: immobilise.com

2 Create an account following the simple instructions, before adding property details including any unique security markings and serial numbers for FREE.

3 If anything you've logged goes missing, inform the police and update it as lost or stolen on immobilise.com to help police recover and return your property.

Police identify and recover on average over 2,500 items a week*
